a lot to close our knowledge gaps. We have nothing but positive feedback and thank you's.

L. Fobel | NASA Dryden Flight Research Center

Objects Conservation was absolutely thrilled with the project Praecipio Consulting delivered.

Michael W. Johnson | Metropolitan Museum of Art

This project allowed us to get JIRA Service Desk operational and put us on a good path for go-live. We learned a lot more than we expected, and really needed the expertise of Praecipio Consulting.

Greg Berglund | City of Georgetown

Praecipio Consulting strives to understand your story, translate your problems and needs into a model you can use. They've made what was a lot easier. I love it.
